Notes:

- Vice President Harris has always championed America's support for NATO, for Ukraine, and for the ukrainian people. On November 5, let's prove that America is still the leader the world needs today by electing Kamala Harris.

Mark Kelly Hello, Chicago.	00:00:01
Mark Kelly Hello, Democrats.	00:00:06
Mark Kelly So President Obama had to follow Michelle. I had to follow Gabby in pink.	00:00:19
Mark Kelly	00:00:32

Gabby amazes me every single day.

Mark Kelly

00:00:40

She was able to walk out and address you tonight because she's a fighter.

Mark Kelly

00:00:49

And thanks to a team of doctors, nurses, and especially her speech therapist, we all need a team. I've flown into space four times.

Mark Kelly

00:01:10

I've flown into combat nearly 40 times.

Mark Kelly

00:01:18

Not once did I do that by myself. It took a team to accomplish a mission. It always does. I flew in the navy. During the first Gulf war, America rallied our allies to kick out a tyrant who invaded a neighbor.

Mark Kelly

00:01:45

Today, Vladimir Putin is testing whether we're still that strong. Iran, North Korea, and especially China. Watch closely. What's Trump's answer? He invited Russia to do, and these are his words, not mine, whatever the hell they want.

Mark Kelly

00:02:18

Vice President Harris has always championed America's support for NATO, for Ukraine, and for the ukrainian people on the Senate intelligence Committee. She investigated russian interference in our election. She defends free and fair elections everywhere. You already know how Trump feels about those. Donald Trump skipped his intelligence briefings.

Mark Kelly

00:03:00

He was too busy sucking up to dictators and dreaming of becoming one himself.

Mark Kelly

00:03:11

Trump thinks that Americans who have made the ultimate sacrifice are suckers and losers.

Mark Kelly

00:03:24

If we fall for that again and make him the commander in chief, the only suckers would be

US.

Mark Kelly

00:03:34

Kamala Harris knows that standing with our allies means standing up for Americans.

Mark Kelly

00:03:47

She'll keep modernizing our military to support our troops and to support our veterans, like our next vice president, Tim Walls.

Mark Kelly

00:04:02

The world laughs at Trump, literally. But, folks, it is not funny. When he was president, that meant the world was laughing at us. The threats we face are too serious. The sacrifices our service members make are too sacred.

Mark Kelly

00:04:27

The alliances we've spent decades building are too critical. That's what's at stake now. And the choice, the choice isn't even close. But in Arizona and nationwide, this election will be.

Mark Kelly

00:04:51

We'll win in the same way we launch rockets into space and land fighter jets on an aircraft carrier as one team on one mission, state by state, voter by voter, coming together. No country, no country is better than ours at solving big problems. So on November 5, let's prove that America is still the leader the world needs today by, uh, electing the leader we need right now, Kamala Harris. Thank you, everybody. Thank you.
