Good evening, Milwaukee.

**Kamala Harris** 00:00:08

And hello to everyone joining us from exciting Chicago, the delegates at the democratic National Convention. Well, they just completed their roll call, and they have nominated coach walls and me to be the next vice president and president of the United States of America.

And I thank everyone there and here for believing in what we can do together. We are so honored to be your nominees. This is a people powered campaign, and together we will chart a new way forward, a future for freedom, opportunity of optimism and faith. So to everyone in Chicago and across America, thank you. Thank you.
